

## NAPLES 2045 COMPREHENSIVE PLAN UPDATE

### Community Open House: Share Your Input on City Priorities

Join the City of Naples for a Community Open House focused on the Comprehensive Plan Update. Residents, property owners, and business operators, whether full time or part time, are encouraged to stop by at their convenience.

This is an informal, come-and-go event with no formal presentation. ***Both open house sessions will offer the same information.*** Feedback from the sessions and the Public Engagement Questionnaire (see above) will help guide future policies, projects, and long-term planning decisions.

#### STAY CONNECTED

Visit the Naples 2045 project website for more information.
